Enter your “Statement Numbers”

The screenshot shows the 'Download Statements' page in the NedInform application. The interface includes a top navigation bar with icons for Access Control, Account Enquiries, Cash Management, EFT, Statement Download, Account Lists, Mail, Market Information, Tools, Help, Home, and Stop. The main content area is titled 'Download Statements' and features a sidebar with 'Statement Download', 'Local Options', 'Mainframe Options', and 'Multiple Account Lists'. The 'Specific Account' section is selected, showing a dropdown for 'Account List' (Master Account List) and 'Account Number' (1986587423 Joe Soap). The 'Last Statement Number Downloaded' and 'Enter Starting Statement Number' fields both contain the value '7145', which is highlighted with a red box. A callout bubble points to this box with the text 'Enter your Statement Numbers.' Below this, the 'Multiple Accounts' section is unselected, and the 'Export' checkbox is checked. The 'Export' section includes fields for 'File Path' (c:\pastel2009\Joesoap), 'File Name' (OCT200830), and 'File Format' (ASCII). A 'Browse' button is next to the File Path field, and a 'back' button is at the bottom right.

Export Settings

Enter your **Statement Numbers**.

Click on “Export”

The screenshot shows the NedInform web application interface. At the top, there is a navigation bar with icons for Access Control, Account Enquiries, Cash Management, EFT, Statement Download, Account Lists, Mail, Market Information, Tools, Help, Home, and Stop. The main content area is titled "Download Statements" and features a sidebar on the left with a "Statement Download" section containing "Local Options", "Mainframe Options", and "Multiple Account Lists". The main area has two radio buttons: "Specific Account:" and "Multiple Accounts:". Under "Specific Account:", there are fields for "Account List" (Master Account List), "Account Number" (1986587423 Joe Soap), "Last Statement Number Downloaded:" (7145), and "Enter Starting Statement Number:" (7145). Under "Multiple Accounts:", the "Export" option is selected and highlighted with a red box. A callout bubble points to this box with the text "Click on Export.". Below the "Export" option, there are fields for "File Path:" (c:\naste\2009\Joeseap), "File Format:" (PDF), and a "Browse" button. At the bottom, there is a checkbox for "Export Settings".

Select a destination folder

The screenshot shows the 'Download Statements' page in the NedInform application. The interface includes a navigation menu at the top with icons for Access Control, Account Enquiries, Cash Management, EFT, Statement Download, Account Lists, Mail, Market Information, Tools, Help, Home, and Stop. The main content area is titled 'Download Statements' and features a sidebar with 'Statement Download' options: Local Options, Mainframe Options, and Multiple Account Lists. The 'Specific Account' section is selected, showing fields for Account List (Master Account List), Account Number (1986587423 Joe Soap), Last Statement Number Downloaded (7145), and Enter Starting Statement Number (7145). The 'Export' section is checked, with fields for File Path (c:\paste12009\Joeseap), File Name (OCT200830), and File Format (ASCII). A 'Browse' button is highlighted with a red box, and a callout bubble points to it with the text 'Select a destination folder.'

Assign a meaningful “File Name”
